FOUNDATION PHASE CODING AND ROBOTICS WORKSHOPS – 2025

1. Umlazi District TLS- GET (Foundation Phase Advisors) invite **one** Foundation Phase educator who has never attended Coding and Robotics workshops to attend.
2. The purpose of this workshop is to capacitate and expose educators on Coding and Robotics (with focus on unplugged coding) content and methodologies, as it will be officially implemented by all Foundation Phase (Grade R-3) learners in 2026.
3. Attendance and participation will enhance the required 21st century skills that will equip learners with digital skills, knowledge, and innovation in line with 4IR.
4. Your cooperation is crucial.

PLEASE NOTE:

- **Attendance is mandatory.**
- **Please bring along your copy of Coding and Robotics CAPS document.**
- **Only one educator must attend.**

Please find the attached schedule for the workshops:
