Abused by uncle

A ten-year old girl was raped by her uncle. When the girl's mother found out, she tried to get the man to pay damages. The girl's sister, however, went to the police and the police arrested the man. When the mother found out about it, she rushed to the police station and told the police that "the child made a mistake". She tried to get the police to let the man go. When she was asked why she protected him, she answered, "He is my sister's husband and therefore also my husband".
