

Grade 2

Term 4 - Week 5

Life Skills

How deaf and blind people communicate.

Dear reader.

This booklet has been compiled to cover the themes of this year. We look at each theme's information. We provide two written worksheets to test knowledge (AKPSW). We also give suggestions for fun art activities (CA) and outdoor exercises. (PE)

Note that Life Skills do not count for progression and promotion. These are simply aimed at making the children liveable.

Themes for the term:

Week 1 South Africa

Week 2 National Symbols

Week 3 Different ways of Communicating.

Week 4 More ways we can communicate.

Week 5 How deaf and blind people communicate.

Week 6 Day and night

Week 7 Day work and night work

Week 8 Night and day animals.

Enjoy the work.

How deaf people communicate.(AKPSW)

People with disabilities often have to find different ways of communicating. For example, many people who cannot hear cannot learn to talk. They use hand or finger signs to communicate with other people. We call this sign language. Different signs have different meanings. Look at the alphabet of sign language below. Try to say your own name in sign language. Now use sign language to say a greeting to your friend.

Color in the hands that will spell your name.

How blind people communicate.(AKPSW)

People who are blind and cannot see use the Braille alphabet when they read and write. The Braille alphabet uses dots that you can feel on the paper with your fingers. When people who know Braille run their fingers across the dots, they can read the words with their fingers. The Braille alphabet was invented by a man called Louis Braille, who could not see.

Can you try to write the following sentence in Braille script?

We are almost going on vacation.

We move. (PE)

Mimic the following swimming movements:

- Lie on your back and kick your legs up and down.
- Lie on your stomach and kick your legs up and down.
- Stand up straight and swing your arms as if you were swimming breaststroke.
- Stand up straight and swing your arms as if you were swimming backstroke.
- Blow bubbles through a straw into a bowl of water.

Communicating through song.(PA)

Music is also a way of communicating.

Sing the songs and do the movements

We communicate with art.(CA)

We use our ears when we communicate. Draw a picture to show how someone listens to something. Also show what he or she is listening to.
