

Grade 2

Term 4 - Week 8

Life Skills

Night and Day animals.

Dear reader.

This booklet has been compiled to cover the themes of this year. We look at each theme's information. We provide two written worksheets to test knowledge (AKPSW). We also give suggestions for fun art activities (CA) and outdoor exercises. (PE)

Note that Life Skills do not count for progression and promotion. These are simply aimed at making the children liveable.

Themes for the term:

Week 1 South Africa

Week 2 National Symbols

Week 3 Different ways of Communicating.

Week 4 More ways we can communicate.

Week 5 How deaf and blind people communicate.

Week 6 Day and night

Week 7 Day and night work

Week 8 Night and day animals.

Enjoy the work.

Night and day animals. (AKPSW)

Many animals hide away and sleep during the day, and move around only at night. We call them nocturnal animals. Some nocturnal animals live where it is very hot and dry during the day. They wait until it gets cool after the sun has set before they come out. Some nocturnal animals hide from other animals that hunt during the day. There are also nocturnal animals that hunt at night.

Name the animals in the picture.

Grandpa Owl.(AKPSW)

Owls sleep during the day and come out at night to hunt. They have big eyes that face forwards, the way ours do. Owls see very well in moonlight. They cannot see when it is completely dark.

Owls have very strong, sharp claws. They use them to grab hold of the small animals they hunt. Their wings are covered in soft feathers. The feathers help owls to fly very quietly so the animals they hunt do not hear them.

How does an owl grab the animals it hunts?

Do owls hunt for big or small animals?

What do the owl's claws look like?

What sound does the owl make?

We move. (PE)

- Draw a line on the ground. Jump as far forward as you can from a still standing position. Who jumps the farthest?
- Play football for a while.

Let's sing of animals. (PA)

Music is also a way of communicating.

Sing the songs and do the movements together
