AFRIKAANS EAT LEES.

Vandag het die verpleegster na ons skool toe gekom. Sy het gesê dat ons goeie kos moet eet om gesond te bly. Sy het vir ons 'n voedselkaart gewys. Ons moet meer kossoorte uit die onderste deel van die voedselpiramide eet. Ons moenie lekkers of skyfies eet nie, en ons moenie koue koeldrank drink nie. Ons moet eerder melk en water drink. Ons behoort elke dag vrugte en groente te eet. Ons behoort groentetuine by ons huise aan te plant en groente te kweek.
