ENGLISH READING

Jim's father got a new job in town and so his family had to move. Jim was sad to leave all his school friends behind. He had to go to a new school.

Living in town is very different to living in a village.

There are many people living in town and there is a lot of traffic. In the streets you see people walking, driving, taking gardens because they live upstairs in flats in high buildings. Jim lives in a block of flats. He lives on the 2nd floor in flat number 2A. The flat is near the school so he can walk to school. Jim keeps on getting lost because there are so many streets and they all look the same. His friend Thandi helps him when he is lost. She has been living in town for two years.

AFRIKAANS EAT LEES

Die verpleegster het vandag na ons skool gekom.

Sy het gesê dat ons goeie kos moet eet om gesond te bly.

Sy het vir ons op die koskaart gewys. Ons moet meer kos van die bodem van die voedselpiramiede eet. Ons mag nie lekkers of skyfies eet nie, en ons mag nie gas koeldrank drink nie.

Ons moet eerder melk en water drink. Ons moet elke dag vrugte en groente eet. Ons moet 'n groente tuin begin en groente rondom ons huis groei.
