## Umsebenzi I: Ukuphulaphula nokuthetha

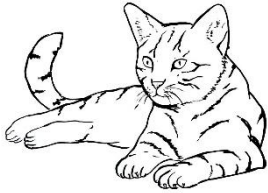

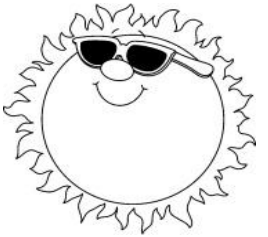

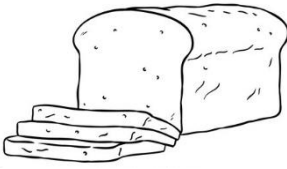

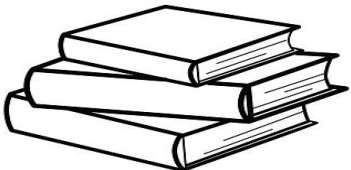

Xelela utitshala wakho ukuba ufuna ukuba yintoni na xa ekhulile umdala.

Balisa ngezivakalisi ezi-5.

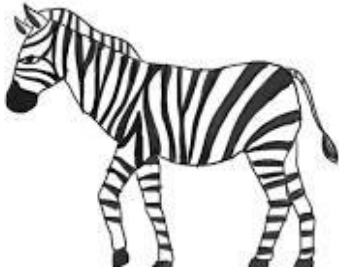

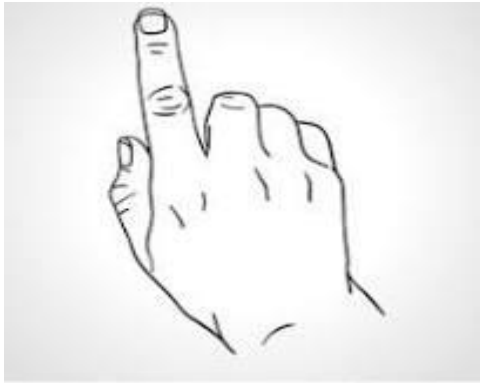

| Ikhrajitheriya                                                                                                                                        | Amanqaku | Amanqaku ewonke |
|-------------------------------------------------------------------------------------------------------------------------------------------------------|----------|-----------------|
| Umfundi akakwazanga ukuthetha ukutsho nantoni na enxulumene nento afuna ukuba yiyo xa ekhulile.                                                       | 1        |                 |
| Umfundi uye wasokola ukunika isivakalisi esi-1 ukuya kwezi-2 malunga nento afuna ukuba yiyo xa ekhulile.                                              | 2        |                 |
| Umfundi uzamile ukunika izivakalisi ezi-2 ukuya kwezi-3 malunga nento afuna ukuba yiyo xa ekhulile, kodwa khange akwazi ukugqitha kwizivakalisi ezi-3 | 3        |                 |
| Umfundi unike izivakalisi ezi-3 ukuya kwezi-4 ezichaza zicacisa kakuhle into afuna ukuba yiyo xa ekhulile.                                            | 4        |                 |
| Umfundi unike izivakalisi ezi- 5 ngesiXhosa esisulungekileyo ezichaza zicacisa kakuhle into afuna ukuba yiyo xa ekhulile.                             | 5        |                 |
| AMANQAKU                                                                                                                                              | 5        |                 |

## Umsebenzi 2: Izandi

a. Biza igama lento oyibona kumfanekiso wandule ubiyela isandi esifaneleyo.

|                                                                                     |                                                 |
|-------------------------------------------------------------------------------------|-------------------------------------------------|
|    | c                      k                      s |
|    | r                      f                      l |
|   | s                      y                      d |
|  | m                      l                      e |
|  | d                      g                      f |

b. Khetha oonobumba/ isandi ukugqibezela igama.

| lw                                                                                  | qw            | nw | tw | bh |

### Umsebenzi 3: Ukufunda

Funda umbongo othi "Utata omde kakhulu".

| Ikhrajitheriya                                                                         | Amanqaku | Amanqaku omfundi |
|----------------------------------------------------------------------------------------|----------|------------------|
| Umfundi akakwazanga ukufunda umbongo.                                                  | 1        |                  |
| Umfundi usokole ukufunda umbongo sele encediswa kakhulu ngutitshala amatyeli amaninzi. | 2        |                  |
| Umfundi uzamile ukuwufunda umbongo engancediswa nje kambalwa ngutitshala.              | 3        |                  |
| Umfundi ufunde umbongo wonke engancediswa ngutitshala.                                 | 4        |                  |
| Umfundi ufunde umbongo ngokuzithemba, nangotyibiliko engancediswa ngutitshala.         | 5        |                  |
| Amanqaku                                                                               | 5        |                  |

Kwakukho utata  
Omde, omde kakhulu.  
Owabaleka wabaleka,  
wayokuwa emgqomeni.

Wawela nzulu emgqomeni,  
imilenze ya jinga phandle!  
Wacinga icebo,  
lokuba acele uncedo.

Wakhwaza ekhala kakhulu  
Ndincedeni bo, ncedani bo!

## Umsebenzi 4: Ukubhala

Bhala izivakalisi ezi-5 ezifutshane, nezilula ubhala ubalisa ngawe, usebenzisa izandi namagama abonwa rhoqo awafundileyo.

| Ikhrajitheriya                                                                                                        | Amanqaku | Amanqaku omfundi |
|-----------------------------------------------------------------------------------------------------------------------|----------|------------------|
| Umfundi akakwazanga ukubhala nesinye isivakalisi.                                                                     | 1        |                  |
| Umfundi usokole ukubhala abalise ngaye ngesivakalisi esi-1 ukuya kwezi - 2.                                           | 2        |                  |
| Umfundi uzamile ukubhala abalise ngaye ngezivakalisi ezi-3 ubuncinane.                                                | 3        |                  |
| Umfundi ubhale izivakalisi ezi- 4 ebalisa ngaye.                                                                      | 4        |                  |
| Umfundi ubhale izivakalisi ezi -5, ebalisa ngaye, ngesiXhosa esisulungekileyo, wasebenzisa iimpawu zokubhala kakuhle. | 5        |                  |
| AMANAQKU                                                                                                              | 5        |                  |
